Dear Sir Robert—

It seems scarcely fair to bother you so soon after your return, but I have been asked by the "Victoria University Women's Association" if you could honour them by a short address at this open meeting

October 4th, 1918

Dear Mrs. Edgar:

I shall be glad to give an address to the Victoria Women's Association. I think if you will allow me I will not give a definite subject, but will give something arising out of my experiences overseas.

Yours sincerely,

President.

Mrs. Edgar,

Toronto.
